Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

This is the total bill for expenses for the game we were rained out in Trenton, which means you owe me \$10.42.

The game we played the Grays in Newark last night was, as you know, for the Benefit of the Elks. When Posey asked me to play the game I agreed to give the Elks 15% of the net. Just a few days ago I have received some bill from Posey and his representative in Newark. As the result I did not check up after the game last night, and asked Posey's representative come in and see me today. I told Buck Leonard at the Park that I would ask you to give him the money coming to the Grays in Phila Saturday, consequently, I am enclosing the check with the statement.

I will appreciate your giving Buck the check or cash, or mail it to Posey for me, if he prefers.

Very truly yours,
